### Report of the event

A Student Development Program cum Workshop was organized by the Department of Chemistry and Botany under the aegis of IQAC on 18.10.2023 on "Emerging Digital Initiatives in Education" to bridge the gap between the traditional and modern ways of study among the students. In this workshop students were conveyed about the various digital platforms like NDLI (National Digital Library of India), YouTube e.t.c. which can be explored by students to gain information from anywhere. Students became aware of the Amrita Vishwa Vidyapeeth, a virtual lab where they can perform most of the practical digitally. Free certificate courses platforms like FOSSEE (Free/Libre and Open Source Software for Education) and SWAYAM were also introduced. A total of 209 students participated in the workshop. The session was very enlightening for the students and encouraged them to engage in learning for a better future.
