

RAM KRISHNA DWARIKA COLLEGE

Lohia Nagar, Patna -20

(A Constituent Unit Of Patliputra University, Patna)

CAREER COUNSELLING AND PLACEMENT CELL

INTRODUCTION

Under the spectrum of globalization, the role of higher education is not limited to producing graduates and degree holders, but it has to vital role in the development of it's human resources. So that these resources can contribute to the upliftment of the society take active participation in the nation building process. Career counselling and placement cell play important role in the development of human resources.

A Career counselling cell is a important unit in our college that helps students make informed decisions about their academic and professional paths. The Cell's main goal is to help students understand their interests, skills and aspirations and match them with suitable career options. Placement cell is a unit in our college that helps students find jobs after they graduate or post graduate. It facilitate the recruitment of students for job opportunities.

The main function of Career Counselling and Placement Cell (CCPT) is to mould the students to make them industry ready by imparting essential skills and training. As a Career counselling and Placement cell, it is a dedicated unit that focuses on providing guidance and support to students. Our cell's activities help students prepare for the workforce and develop strategies to achieve their goals. These activities include Interview sessions, workshops, seminars, training programs, skill based programs and career counselling sessions.

VISION

- Empowering students to achieve their career goal
- To help students discover and pursue a fulfilling career

MISSION

- Provide training to students so as to achieve their career goal.
- Empower all the students to apply the acquired skills, knowledge to rely upon their personal attributes so as to lead productive lives and contribute to the global community.
- Continuously improve the quality of students through assessments.

- Provide opportunities to the students over a wide variety of careers in a broad spectrum of industries / organizations in India.

OBJECTIVES

- To develop readiness for choices to face new challenges.
- To facilitate all round development of the students.
- To help students in the proper choice of courses and career.
- To help the students in the period of turmoil and confusion.
- To help students in checking weakness and strength.
- To help students in the vocational development.
- To minimize and mismatching between education and employment and help the efficient use of manpower.

FUNCTIONS

- Providing individual career counselling sessions to help students identify their interests, strengths, and suitable career options.
- Organizing training programs on resume writing, interview skills, communication, and other essential professional skills.
- Inviting companies to campus for presentations, guest lectures, and job fairs to familiarize students with industry trends and job opportunities.
- Managing the recruitment process by collecting job postings, shortlisting candidates, coordinating with companies, and arranging interviews.
- Conducting aptitude tests and assessments to evaluate students' skills and potential for specific jobs.
- Help students prepare for self employment and to develop entrepreneurial skills.
- Help students find jobs in government, industry and NGO sectors.
- Maintaining connections with graduated students to facilitate mentorship opportunities and job referrals.

DUTIES AND RESPONSIBILITY

Report:-

‘Sunstone Career Counseling Program’ was organized by the Career Counseling Cell on 18 October 2023 at Ram Krishna Dwarika College, Patna. The program was started by Principal Dr. Arbind Kumar and wished for the success of the program. Devoshish Gautam was the coordinator of Sunstone and Brajesh Kumar was the resource persons in the program. He gave detailed information about this program. The entire program was conducted by Dr. Sarita Kumari, Coordinator of Career Counseling Cell under the aegis of IQAC. In this he informed about the Stone Scholarship Test to be held in February in which it was said that 100% scholarship would be given. During the program, Sunstone's resource person talked about career planning and admission support and also talked about organizing a separate program for students and parents. The main objective of the program was to expose the students to various professions apart from some general professions like engineering, medical, teaching etc. in which they can make a career in that direction in future by knowing the trends detected by their test. A total of 68 girl students participated in the program.
