Report:-

Department of Geography and Sanskrit along with IQAC of RAM KRISHNA DWARIKA COLLEGE (Patliputra University) organised an Online Open Competition on the occasion of 'World Earth Day.' World Earth Day is an annual event, observed on April 22nd every year. It reminds us of the importance of environment conservation. Earth Day is an annual event observed across the globe to demonstrate support for environmental protection. Earth Day reminds citizens of the world of the importance of environment conservation and sustainability, encouraging us to come together and take action for a healthier planet and brighter future. The day raises awareness and inspires change, fostering a deep connection with nature. This year's theme for the World Earth Day is PLANET Vs PLASTICS.
